

PosterSessionOnline for the International Multidisciplinary Congress EUROGIN 2016.

EUROGIN is proud to offer the PosterSessionOnline service: a high-quality, printing & delivery service which is available to all poster presenters.

If you take advantage of this service, your poster will be printed to the highest professional standard and you will be able to pick it up from the Registration Area on-site, at your convenience during the meeting. The complete printing, packing and delivery service is subsidized and will cost 55€ + 21%VAT.

All posters created by this service will be added to a VIRTUAL POSTER GALLERY following the meeting. This aims to ensure that your poster gets maximum exposure. If you prefer to print your poster yourself and bring it to the meeting, you may submit a PowerPoint or PDF version free of charge to be displayed on this online resource. We would strongly encourage all authors to support this service as far as possible.
